HERBST BROTHERS

ESTABLISHED 1876

42 SOUTH STREET

NEW YORK

September 5th, 1929.

AN IMPORTANT PRICE REDUCTION

Many native species promise such bountiful crops that we are favoring all who have placed early contracts with lower prices. In quantities of 10 lbs. or more of each item, we will accept additional orders while it remains possible to collect. Our offer is, therefore, subject to withdrawal and change without notice. Act at once and of the pines and spruces put in 2 years' supply.

ABIENS concolor, White Fir (Colo)	p.lb.	\$-.75	PINUS flexilis, Limber Pine	p.lb.	\$2.00

" edulis, Nut Pine	-.90	Colorado Douglas Fir,		2.75	

ORIENTAL SPECIALTIES

For account of Messrs. T. Sakata & Co., the Orient's leading Tree Seed Specialists, we offer a few new crop items which have just reached New York. Growers should secure their needs at once and plant immediately, before the seed dries, to insure a maximum stand of:

BUXUS microphylla koreana,	p.lb.	PRUNUS serrulata sachalinensis,	p.lb.
Hardy Boxwood,	\$6.50	Yama Cherry	\$4.60
ERIOBOTRYA japonica, lg. fruited	2.25	" subhirtella pendula,	
PRUNUS lannesiana, Hitoye Cherry	2.75	Shidare-Higan Weeping Cherry	4.00
" serrulata, Oriental Cherry	3.00	" tomentosa, Nanking Cherry	4.25
		" yedoensis, Yoshimo Cherry	4.50

We may remind you that Buxus microphylla koreana is one of the hardiest of the Boxwood family.

EUROPEAN COLLECTORS advise a splendid crop of numerous species. Send us a list of your needs as we offer today only:

PICEA excelsa, Norway Spruce @ \$-.65 p.lb.
 FAGUS sylvatica, European Beech @ -.50 "
 (Orders for ten or more pounds only at these prices)

All prices are per pound net FOB. NEW YORK and packing is extra at cost. Terms and conditions as per our annual catalogue. Copies sent on request.

Our Nursery Stock Brokerage Department directs your attention to the advantageous quotations on ULMUS pumila authorized by reliable growers in various sections and subject to the stock remaining unsold:
